WHO WE ARE

Our people's dedication and passion for building a superior product contribute to the long term growth, value and overall success of our customers and the strength of our products.

With four decades of experience and expertise in the custom manufacturing of vocational vehicles, Gincor Werx is an industry leader known for its quality workmanship and technical innovation. Its products include dump bodies, work ready, snow and ice equipment, cranes, flat decks, roll-offs hook-lifts, van bodies and heavy haul float trailers.

In 2017 Gincor formed a strategic partnership with DEL Equipment, which brings an additional 70 years of truck equipment solutions to an

already solid industry identity. Our combined 13 facilities give Gincor's breadth of product offering a true national footprint which includes 478,000 sq.ft. of manufacturing space, 90 installation bays, 550 employees and 22 service bays.

By 2015 Gincor Werx was Canada's largest vocational truck upfitter with installation, customization and repair services. Fueling the success story of Durabody Industries.
