STANDARD AND CUSTOM
HEAVY DUTY
TRAILERS
WHO WE ARE

Our people’s dedication and passion for building a superior product contribute to the long term growth, value and overall success of our customers and the strength of our products.

With four decades of experience and expertise in the custom manufacturing of vocational vehicles, Gincor Werx is an industry leader known for its quality workmanship and technical innovation. Its products include dump bodies, work ready, snow and ice equipment, cranes, flat decks, roll-offs hook-lifts, van bodies and heavy haul float trailers.

In 2017 Gincor formed a strategic partnership with DEL Equipment, which brings an additional 70 years of truck equipment solutions to an already solid industry identity. Our combined 13 facilities give Gincor’s breadth of product offering a true national footprint which includes 478,000 sq.ft. of manufacturing space, 90 installation bays, 550 employees and 22 service bays.

Our people’s dedication and passion for building a superior product contribute to the long term growth, value and overall success of our customers and the strength of our products.
By 2015, Gincor had become Canada’s largest vocational upfitter with manufacturing, service and customization capabilities. The acquisition of Durabody in 2015 fuelled the company’s success.

In July 2017, the partnership with DEL Equipment brought a national manufacturing sales, parts and service network to take Gincor Werx nation wide.

The opening of Gincor Trailer Werx (formerly the Blenheim operation of Cross Country Trailers) in December 2017 secured Gincor’s position as Canada’s largest supplier of truck equipment and trailers.

Innovative installation practices and a focus on continuous improvement led Gincor to expand its product offering by acquiring JC Trailers in 2016.
LIVE BOTTOM
We’ve been building trailers for 40 years. Our longevity has been fueled by our ability to meet customer demands and our ability to foster a great work environment for our people. Our customers trust us to solve their problems and deliver a premium product.

LIVE BOTTOMS
- Designed to maximize payload and performance
- Built for hauling a variety of material
- Manufactured with high quality materials
- Designed for safety & reliability

TRAILER DECKS
- Designed for longevity and reliability
- Tag a long, straight or drop decks
- Heavy duty fabrication
- Manual or Air Tilt
75/60 THDG
DROPSIDE EXTENDABLE FLOAT

- 60 Tonne Capacity
- 26 foot deck expands to 36 feet
- Stand alone power unit
- Automatic greasing system
- 10 feet wide
- 18 inch dropside deck
- Gooseneck hydraulic flip
HEAVY HAULERS
• Heavy duty fabrication
• Designed for reliability and longevity
• Available from 45 - 100 ton capacity
• Float, Tilt, Gooseneck configurations

PONY DUMPS
• Heavy Duty construction
• Standard base with offerings
• High Quality Materials
• Customizable to your application

GOOSENECK FLOAT HEAVY HAULER

STANDARD AND CUSTOM TRAILERS
We can help you secure your next equipment purchase by tailoring attractive financing options using Gincor Finance Werx.
Gincor Finance Werx will tailor innovative financing programs to suit your particular needs. Flexible equipment finance options can allow you to reduce your initial investment and monthly payments, making it easier on your day-to-day operating costs and help improve your cash flow incentives.

We understand our industry and with Gincor Werx Equipment Finance Programs, you have quick access to fast, flexible financing options to assist you in acquiring the equipment you need today instead of tomorrow.

For more information about Gincor Finance Werx, talk to your Gincor Sales Representative to see how we can make your equipment purchase a fast, flexible and appealing process to align with your business goals.
