

# STANDARD AND CUSTOM DECKS

# WHO WE ARE

Our people’s dedication and passion for building a superior product contribute to the long-term growth, value and overall success of our customers and the strength of our products.

With four decades of experience and expertise in the custom manufacturing of vocational vehicles, Gincor Werx is an industry leader known for its quality workmanship and technical innovation. Our product offering includes dump bodies, snow and ice equipment, flat decks, and van bodies. Our trailer offering includes heavy haul, equipment, tag, step deck, and live bottom trailers.

The acquisition of Durabody Industries in 2015 marked the beginning of rapid growth for the corporation with the ultimate goal of strengthening its overall product portfolio. The acquisition of JC Trailers in 2016 followed by opening Gincor Trailer Werx in 2017 greatly enhanced our product offering to an already solid industry identity.

## GINGRAS CORRIVEAU

Gingras Corriveau humbly began as a family business in 1978 and grew to become a leader in the vocational truck, trailer and service industry today.

1978

2002 issued in a changing of the guard when Luc Stang became CEO and President. Fueling the company’s success saw the aquisition of Durabody in 2015.

## GIN-COR INDUSTRIES

2002

## DURABODY INDUSTRIES

By 2015 Gincor had become Canada’s largest vocational upfitter with manufacturing, installation, service and customization capabilities. Fueling the company’s success saw the aquisition of Durabody in 2015.

2015

Based on a long standing business model of seeking out opprotunity and the desire to expand its current product offering led to the acquisition JC Trailers in 2016.

## JC TRAILERS

2016

## GINCOR TRAILER WERX

The opening of Gincor Trailer Werx (formerly the Blenheim operation of Cross Country Trailers) in December 2017, secured Gincor’s position as Canada’s largest supplier of truck equipment and trailers.

2017

# STANDARD AND CUSTOM DECKS

Our dynamic and innovative team of designers and engineers work closely with people in the transportation industry to create solutions for unique and challenging applications. The end result is a quality piece of equipment that performs and lasts.

Whether it's an aluminum deck to accompany your crane installation, a delivery vehicle or wood decks, our craftspeople will build and install a high-quality steel, checker plate or wood deck. We can outfit your truck with a complete selection of accessories such as tool boxes, storage bins, headboards and lighting.
