As One Of Canada's Fastest-Growing Companies**

Canadian Business unveils annual list of Canada's Fastest-Growing Companies

North Bay, Ontario, October 15, 2020 Canadian Business today ranked Gincor Werx No. 215 on the 32nd annual Growth List, the definitive ranking of Canada's Fastest-Growing Companies. Produced by Canada's premier business and current affairs media brands, the Growth List ranks Canadian businesses on five-year revenue growth. Growth List winners are profiled in a special print issue of Canadian Business published with Maclean's magazine and online at CanadianBusiness.com and GrowthList.ca.

Gincor Werx made the 2020 Growth List with five-year revenue growth of 340%. "The companies on the 2020 Growth List are really exceptional. Their stories are a masterclass in how to survive when the economy throws a curveball. Despite turbulence, the 2020 Growth List companies showed resilience, spirit and, most importantly, empathy and strong leadership," says Susan Grimbly, Growth List Editor. "As we celebrate over 30 years of the Canada's Fastest-Growing Companies program, it's encouraging to see that the heart of Canada's entrepreneurial community beats strong, even in tough times."

GINCOR President & CEO, Luc Stang, once again is very proud to be recognized especially given the tumultuous times we are living in. "A year of positive growth for any corporation during uncertain times is a testament to focus, pride and perseverance, which certainly embodies the Gincor team. A sixth consecutive year on the GROWTH 500 ranking really is a shared achievement and it makes me feel more proud than ever. As a direct reflection of our growth we are currently aggressively promoting a hiring campaign for a variety of skill sets across all of our company affiliations. Visit the career section of our website and perhaps you could join a great team to help us nurture our growth."
