GINCOR WERX ON DISPLAY AT THE 2025 ATLANTIC TRUCK SHOW

Newmarket, ON - May 05, 2025 - GINCOR Werx, a company with four decades of experience and expertise in the manufacturing of vocational vehicles, will be showcasing some of its products on this year's Atlantic Truck Show, taking place at the Moncton Coliseum Complex, in Moncton, NB from May 9 to 10, 2025.

GINCOR Werx Live Bottom Trailer will be on display at the Trans East Trailers booth number O2 and 103.

Live Bottom Trailers and Live Bottom Truck Mounts are recognised as one of the best solutions for unloading materials. Paving jobs and aggregate haulage can take full advantage of all the best features of Live Bottom Trailers and Live Bottom Truck Mounts, such as:

- Complete control of the amount of material being dumped
- Safer unloading
- Able to unload in lower clearance areas
- Less material loss
- Less clean-up
- Enhanced time efficiency

GINCOR Werx Live Bottom Trailers and Live Bottom Truck Mounts have been gone through significant improvements over the past years, all of those done by the in-house Engineering department. Every new feature and improvement is the result of hours spent on product development and the priceless information received from customers feedback. GINCOR Werx is closely connected with customers to better serve and always improve the quality and performance of its products.
